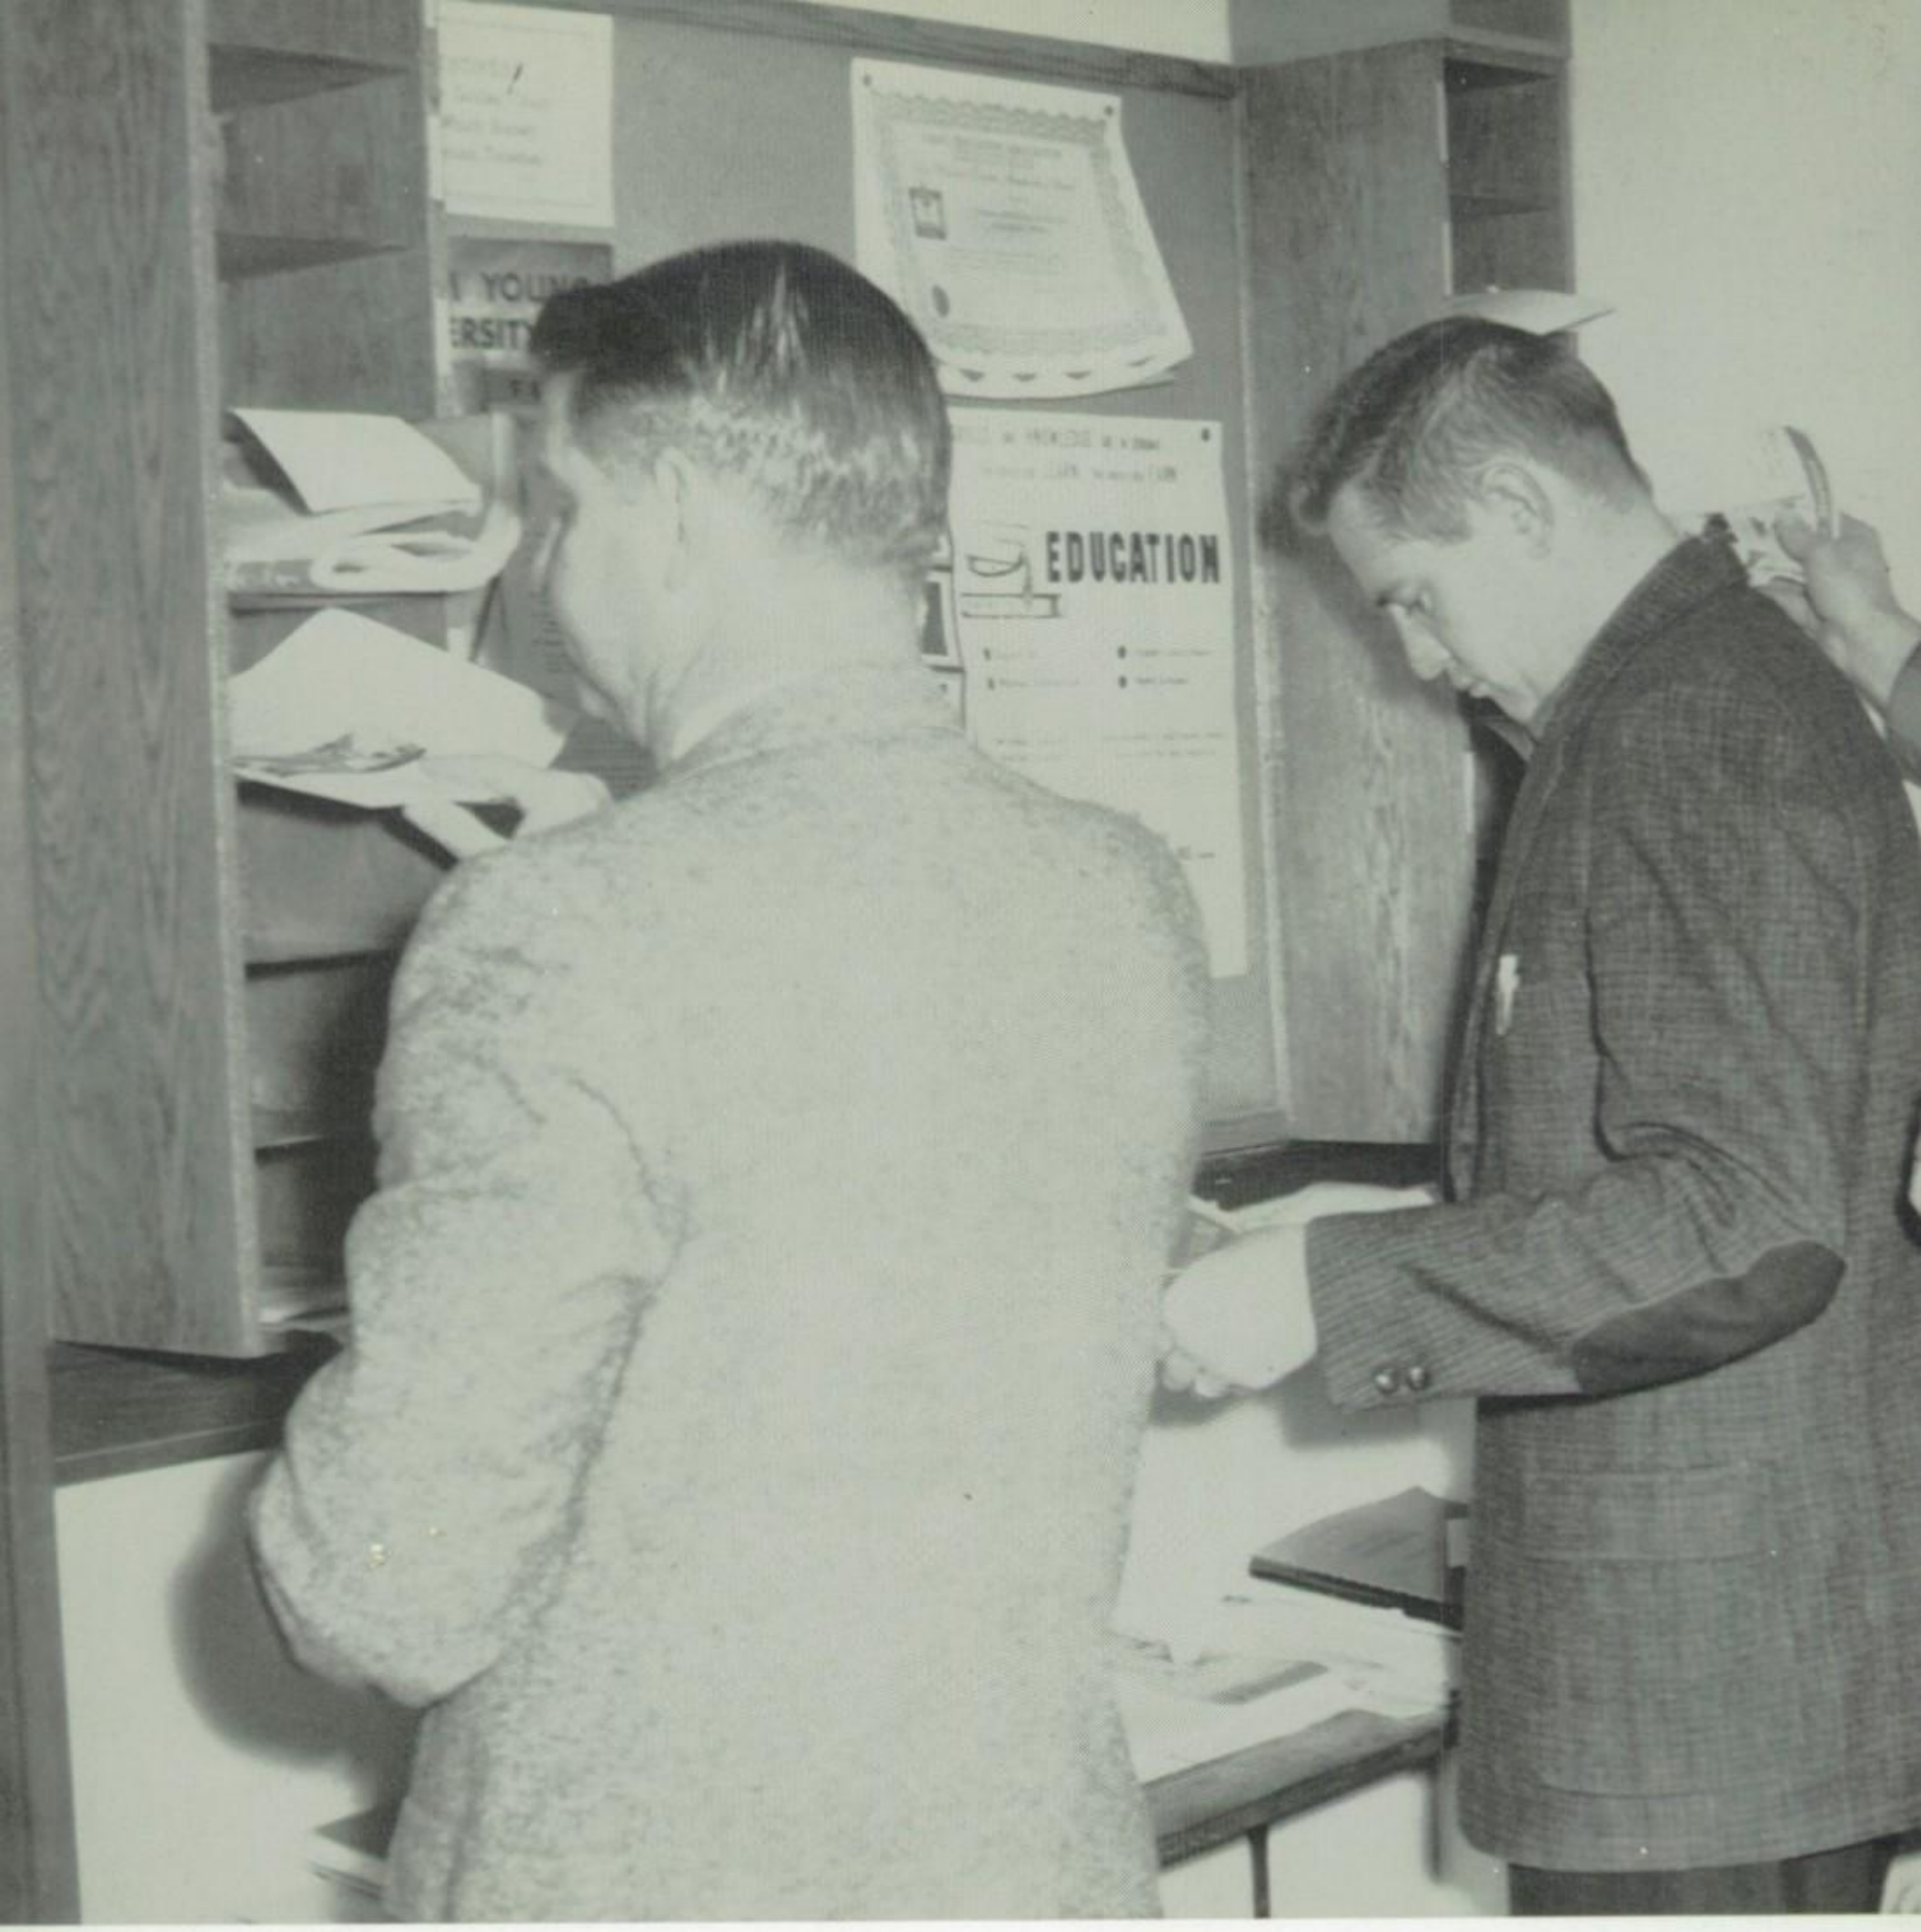
THEME---BEAR FACTS



Members of the faculty and administration worked hard to keep the school running smoothly. Meeting every two weeks, they discussed various student body problems, such as new classes in electronics and math, a seven-period day, discipline and scholarship problems, scheduling of events, and selection of the valedictorian, salutatorian, and receivers of awards. They approved selections for Youth Legislature, Girls' State, and Boys' State. They served as advisers to classes, clubs, and organizations. The student comes as an inexperienced freshman, and four years later graduates as a mature senior. He helps Montpelier to grow, but when he graduates his contribution is completed. The faculty member, however, spends his entire career giving of himself to the school—in his knowledge, interest, and friendship.

Dear Faye,

How would it be to be a big fuss the next 40 or 50 years? Nice-!!

Well why in the hell is it today Faye? Better not list the many Right?? One of these days you won't be mixed up- some day soon you'll know just where you stand- not that you need to be any thing.

Just remember I understand your many problems- so you know what to do.

Hope we stay as close as we are now- stay with your choice diet. so you can make that sexy figure ----- dreams of. Maybe will work for you.

Hold Luck with ---

Keep [illegible] with Dee Dee-!!!!

Love Ya.

PRINCIPAL

The year 1964 marks another leap year on the calendar. It also marks a leap year of new discoveries in our environment and potential achievements. With leaps into outer space and into the depths of the sea, man begins only now to realize how earth-bound he has been and that he literally has "only scratched the surface."

Figuratively we speak of "keeping **pace** with" and making great **"strides."** These now give way to "great **leaps** forward." These figures of speech clearly indicate the acceleration in learning and progress. May the class of '64' be leaders in the "leap years" ahead.

Teachers seem to be amused at some of the goings-on at good old MHS as they plan their strategy for the next two weeks.

Student body officers, Linda Jacobson, Secretary; Keith Teuscher, President; K. Nelson, Vice-President, made the school year a success through their diligent and faithful leadership. Under their direction student body dances were held, the new pop machine was put in, and the problem of conduct in the halls dealt with.

STUDENT GOVERNMENT

Student council members cooperated with student body officers very well. They are, left to right, Kerry Haddock, K. Nelson, Glen Williamson, Jerry Walker, Mr. Power, adviser, Keith Teuscher, Mr. Skinner, adviser, Linda Jacobson, Dean Anderson, Craig Hirschi, Chad Wood, Mary Ann Nicholls. They approved and carried out such projects as Leadership School, student body films, Centennial Day, enforcement of bus rules and litter rules; and they appropriated student body funds for the research room and the electronics lab.

Paul Perkins consults Mr. Ward, Counselor, about his scheduling problems for the coming year.

Mrs. Tolley, new MHS registrar, writes out admit slip for Candy Pederson.

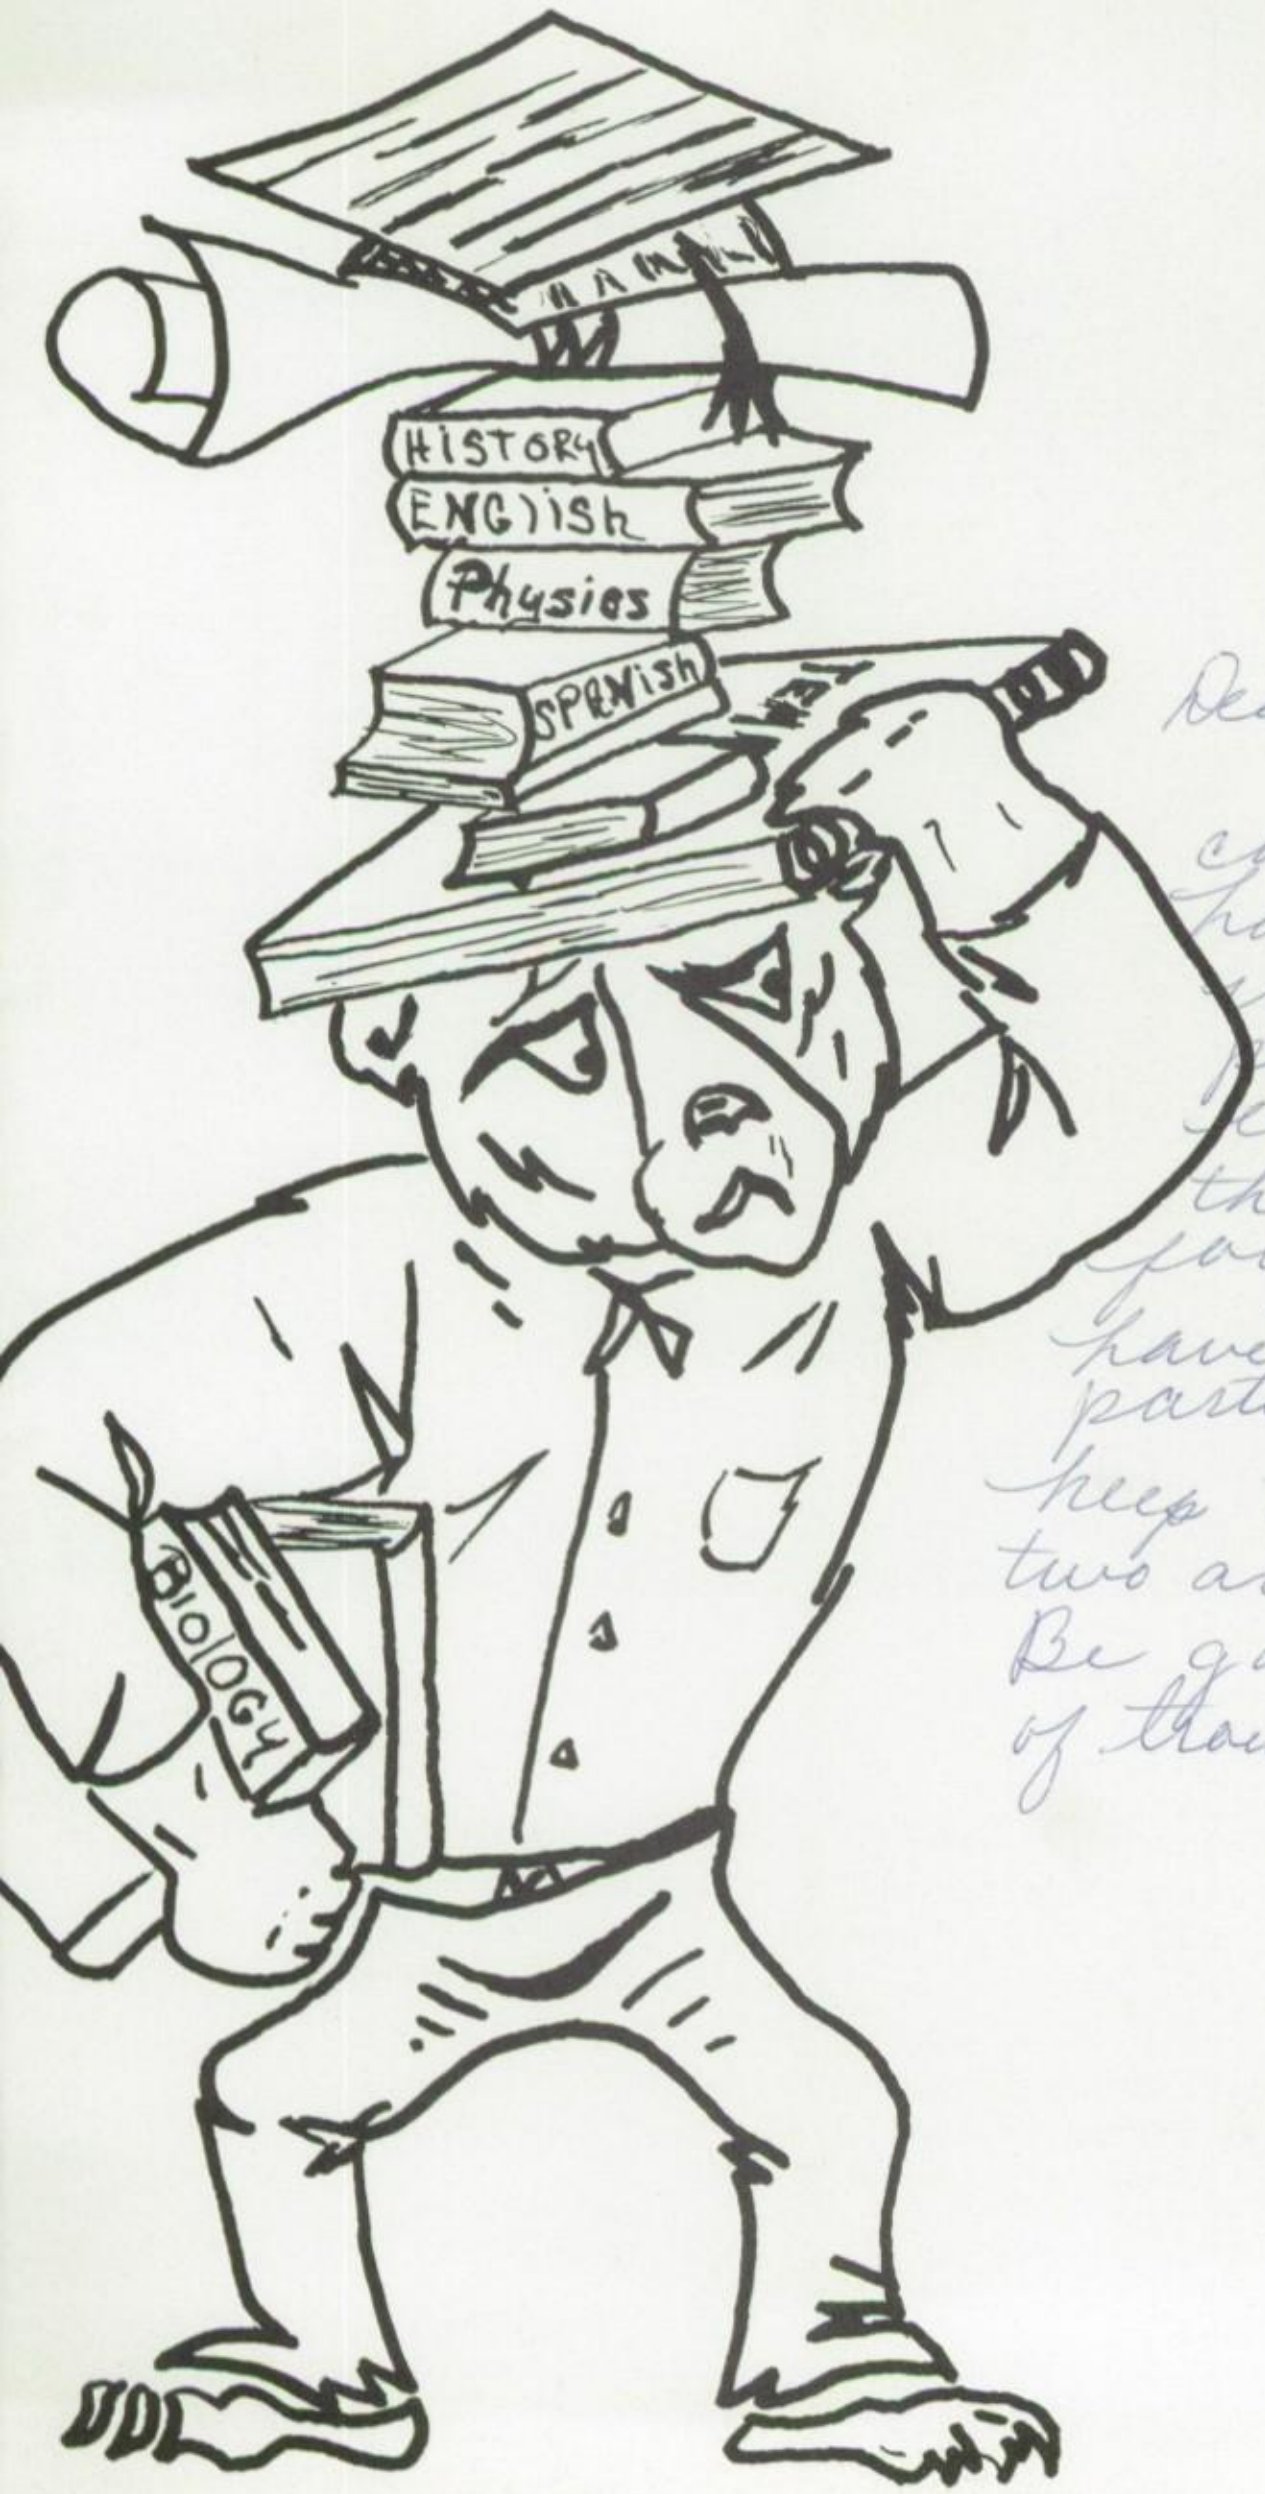
Shoveling snow on the front walk doesn't seem to bother Roger Jensen, MHS custodian.

We are all sorry to lose Miss Bunderson who has been a devoted worker for 6 ½ years as MHS registrar but left to serve as city clerk.

Starving students were served daily lunches by devoted cooks: Mrs. Jacobson, Mrs. Goebel, Mrs. Wilcox, and Mrs. Williamson.

It's Friday and the last bell has rung! Everyone is madly dashing to his locker after a hectic week of school. Monday's schedule was interrupted by an interesting (?) assembly presented by the Farm Bureau. On Tuesday, the halls were filled with sulfur fumes issuing from Mr. Phillips's chemistry class. Students let off steam in Wednesday's pep assembly. Thursday brought class meetings. Freshmen, Sophomores and Juniors discussed ways of making money, while the Seniors thought up ways of spending theirs. At last it's Friday! Ahhhhhh!

During the short three-minute break between classes, students have a chance to express their views on the test they just "flunked," or "passed with flying colors." After they hurriedly gather up the books that tumble from their lockers, they dash to the next class, only to find out they grabbed the wrong book.



Dear Faye,
Here's to MHS's
goofiest gal. Wish
had loads of fun
with the girls, es-
pecially our little
evening trips to
the lake. I'll never
forget it. Will just
have to have more
parties, okay.? Just
keep Randy 'cause you
two are ideal together.
Be good and stay out
of trouble.

Love ya,
Pod

SENIOR LEADERS

The class of '64 created lasting memories under the direction of its class leaders. Standing: Bill Teuscher, vice president, led the Seniors in planning the successful Senior Ball. Kerry Haddock, president, kept the Senior class's activities "rollin." Joyce Smith, secretary, carefully recorded the minutes of the class meetings. Kneeling: Glen Williamson, student council representative, efficiently represented the class in the Student Council meetings. Roger Rigby and Fred Wells, assembly committeemen, produced and directed the hilarious, final class assembly.

SOPHOMORE LEADERS

The Sophomore Class officers, standing, Steve Nelson, Vice-President, Randy Rex, assembly committeeman, Craig Hirschi, President; sitting, Faye La Rocco, secretary, and Mary Ann Nichols, Student Council representative, were voted into their offices by popular vote. Among their achievements was a successful sophomore hop, which marked the beginning of spring break. Although they worked hard throughout the year, there was still time for fun at their "Grub Party." The sophomores, with many new and different ideas, are looking forward to their remaining years at MHS.

The various organizations of the school took up much of the students' spare (?) time. These organizations have made the school year more enjoyable by sponsoring dances, concerts, and meeting other challenges outside the classroom. They have also helped to promote a better feeling between the student body and faculty. Not satisfied with just enthusiasm, the members of these organizations brought along talent, too, and as often as not, they walked away with honors.

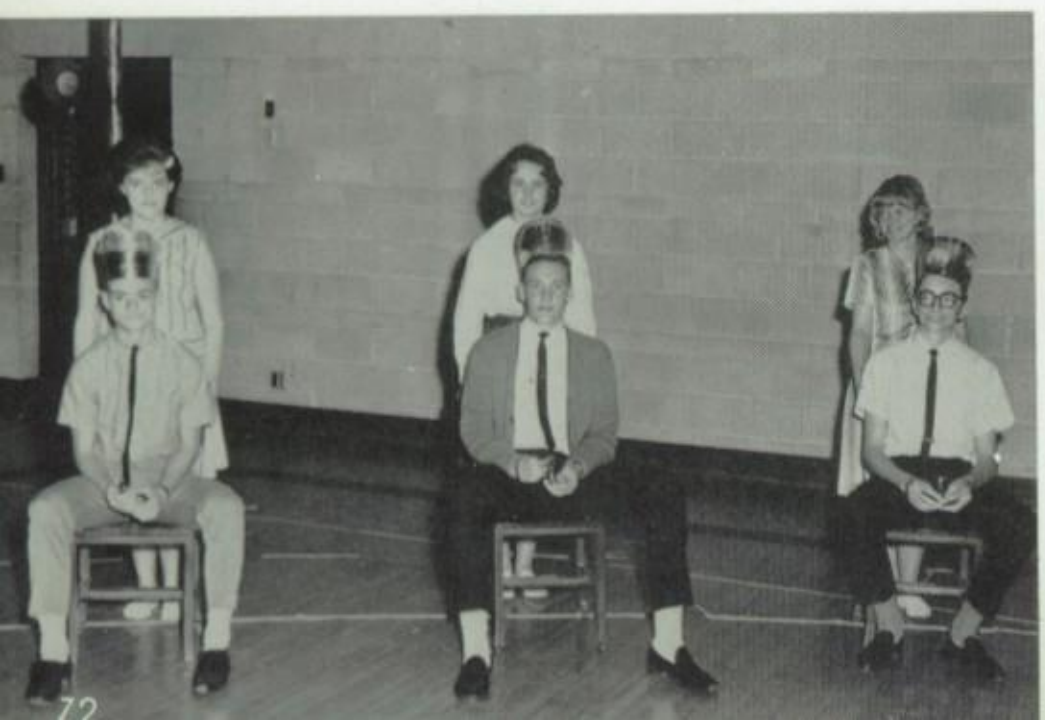
A prince and princess selected by fellow class-mates completed the Prom picture. Fellows who were chosen by club members might feel they were preferred.



HOMECOMING ROYALTY

Nominated by the football team and elected by the student body, the Queen and her two attendants reigned over Homecoming. First, presented at the assembly, they ruled over the Homecoming activities which included the parade in the morning, the football game in the afternoon and the dance in the evening.

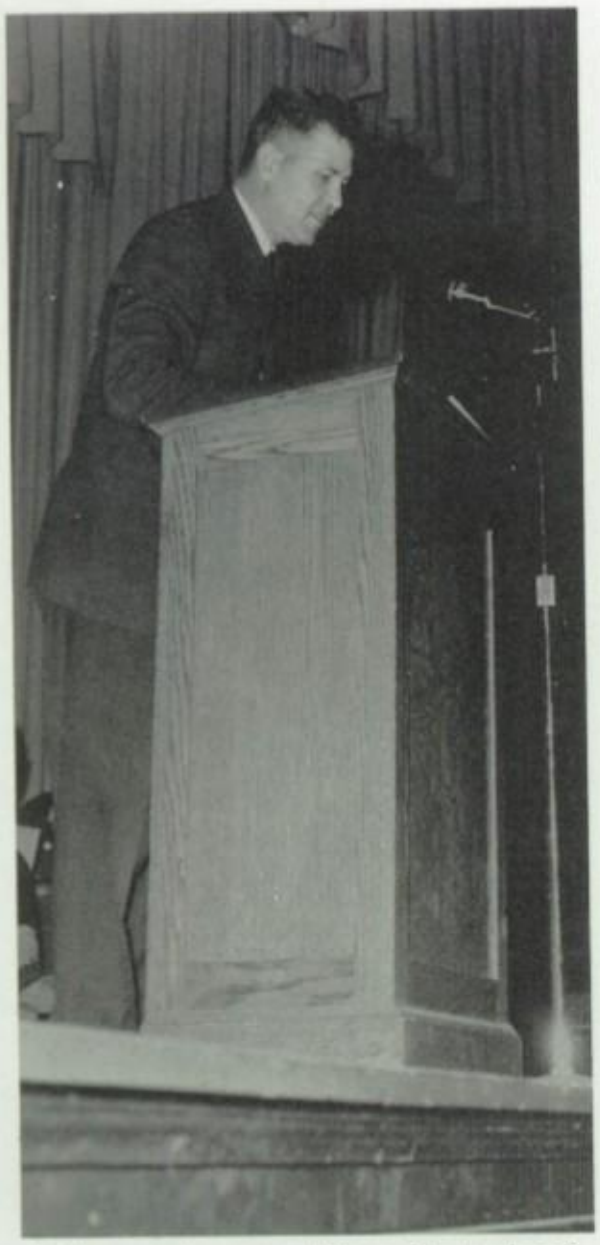
Assemblies, Cantata, the school play, music and speech festivals, dances . . . These are as much a part of the school as the academic pursuits. In both social and civic activities, students work together to accomplish common objectives, and in doing so learn the value of cooperation. Here you see students gathered together lending their support in a pep rally to show the team that they are behind them. This support was displayed not only in sports but also in the other various school activities throughout the year. This year's student co-operation has linked all the activities into a chain of memories to be cherished by all that participated.

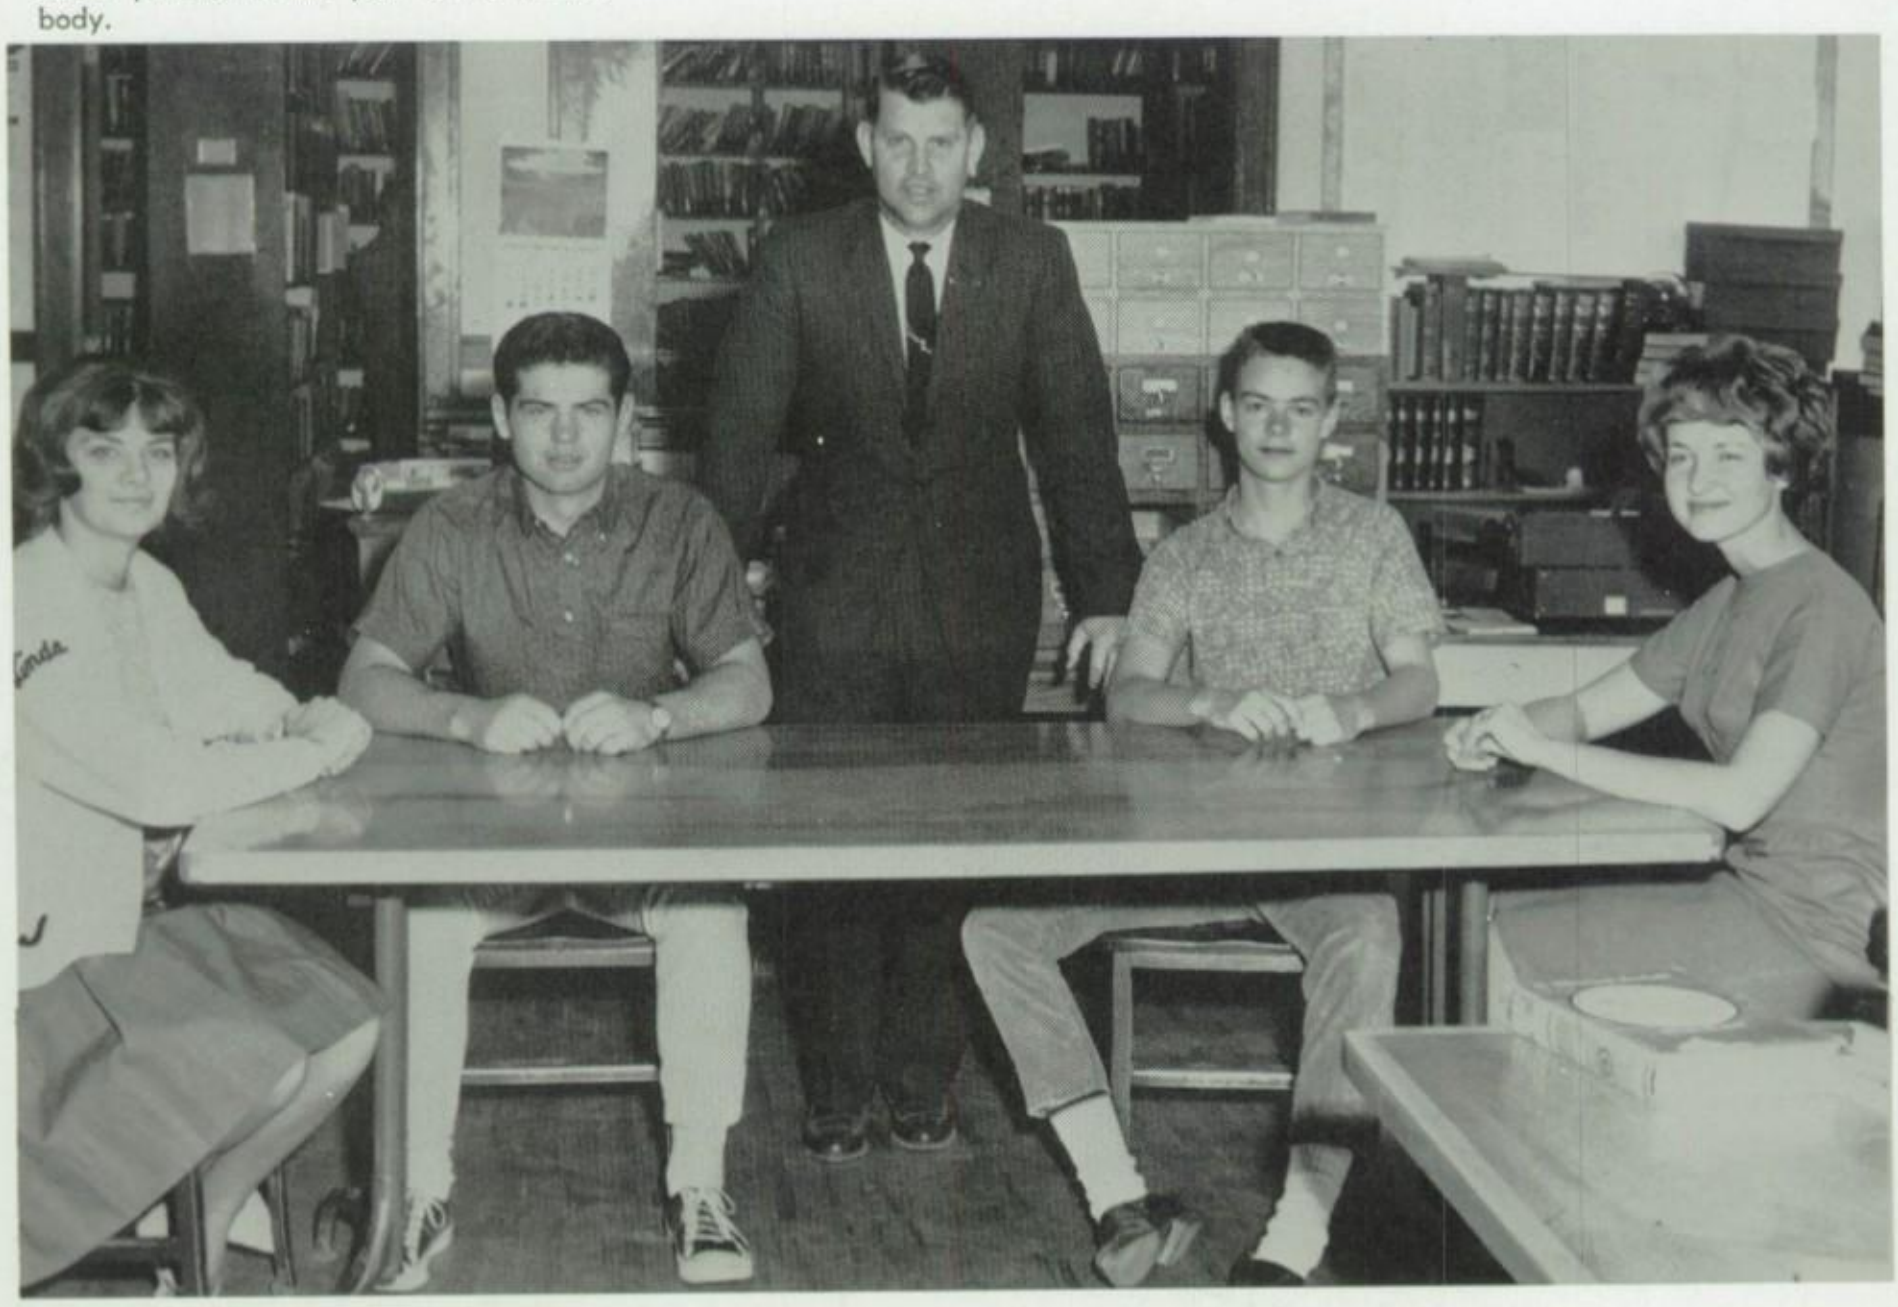
ACTIVITIES

SCHOOL BEGINS



At the opening assembly on September 3, Mr. Phillips welcomed students to another enjoyable (?) year of school and outlined school policies for the year to the student body.

In the opening assembly, the Seniors are shown laughing at Mr. Carraway's southern drawl which is new to the ears of most of the students.



At Leadership School, held in the MHS library on September 11, a panel consisting of left to right, Linda Jacobson, Keith Teuscher, Mr. Loveless, Brent Peterson, and Janet Larsen discussed the aspects of leadership. Other things discussed by officers of all school organizations were changes in the constitution and parliamentary procedure.

Centennial Day, September 26, is a big success throughout the county.

MHS Pep Club float is a mixture of the Centennial and Homecoming themes.

CENTENNIAL AND HOMECOMING CELEBRATIONS

Adults, as well as students, enjoyed Centennial Day, held September 26. The Centennial Parade, one of the best parades in years, kicked off the celebration. Entries ranged from an ox-drawn wagon to beautiful girls from both high schools. Immediately following the parade, an old-fashioned, country barbecue was held at the city park. A softball game between the East side and the West side men completed the day commemorating Idaho's one-hundredth year as a territory.

Homecoming royalty, Faye La Rocco, first attendant, Kristin Munk, queen, and Renee Nate, second attendant, move down Main Street in the Centennial Parade.

The annual Homecoming Dance, held September 27 after the football game with Aberdeen, was a big success with alumni as well as students participating.

Nancy Teuscher, Roger Grunig, Sue Smith, and Charles Gregory seem to be enjoying the music of the Keith Jensen Orchestra at the Junior Prom held April 17. Behind them is a life-size mural depicting their theme, "Strangers in Paradise."

The theme song of the Junior Prom, "Strangers in Paradise," was sung by Linda Jacobson and Murray Sneddon after the grand march of juniors to receive their class rings.

SENIOR BALL AND JUNIOR PROM

Shown here are the Senior Ball royalty, Kristin Munk, Queen, and Mike Talbot, King. They were elected by their classmates and presented at the annual Senior Ball, held December 21 in the gym.

Junior Prom royalty, Charles Gregory and MarJean Nelson, are shown here dancing with last year's Junior Prom royalty, Janet Bartschi and Keith Teuscher, who crowned them during the intermission of the dance.

The traditional "Junior Dance," which is directly after the presentation of rings, is shown here. They danced to their theme song.

DANCES

The Jaguars from Logan furnished the music for the Sophomore Hop, a well-attended, "Swinging" dance held March 27. Money received at the door was put into class funds to help finance class parties and other activities. The Jaguars played their theme song and two others as a floor show.

The Mid-year Hop, held January 18 after the Snake River game, featured Little Doc and the Interns, a four-piece orchestra from Afton. This group proved to be a favorite of the students, who are apparently enjoying themselves doing the latest dance crazes.

Little Doc and the Interns also furnished the music at the Pep Club-Lettermen Dance held after the Aberdeen game on February 8. This girls' choice dance was sports and proved to be very successful even though neither club had elected royalty.

Mr. Skinner, who auctioned off king candidates' cakes at the FHA Dance held April 3, hands Ted Larsen's cake to lucky bidders who were fortunate (?) enough to get the king's cake. Other activities of the evening included the crowning of the king and princes.

IDAMONT PERSONALITIES

SENIORS
Keith Teuscher, Janet Bartschi

JUNIORS
Mark Johnson, Linda Jacobson

To give special recognition to those students who best exemplify the good of MHS, the Idamont staff chose to honor these students as this year's Idamont Personalities. The Student Council and faculty nominated three boys and three girls from each class who demonstrated high scholarship, leadership, participation in extracurricular activities, and winning personalities. These students were voted on by the entire student body. These are the best all-around students of MHS.

SOPHOMORES
Craig Hirschi, Karol Teuscher

FRESHMEN
Brent Peterson, Jeannie Bartschi

Along with their adviser, Mr. Loveless, Senator Dean Anderson, Delegate Ronald Galloway, Reporter Lorna Reeves, and Representative Carol Burdick attended a three-day youth legislature at Boise, April 2, 3, and 4. During these three days, they heard a speech from Governor Smylie and the student governor and went to legislative sessions.

Attending Girls' State at Caldwell this year were Polly Crane and Linda Jacobson. They submitted letters of application and were chosen by the faculty and the American Legion Auxiliary according to their character, leadership and scholarship.

Attending Boys' State at Boise from MHS were Ronald Galloway and Murray Sneddon. They were chosen by the faculty for their character, leadership, and scholarship.

CHRISTMAS ACTIVITIES

The tiny snowflakes sparkle in front of the stained glass window as the M.H.S. choir, under the direction of Mr. Carraway, presents annual Christmas Cantata. New additions to the cantata were choral readings, denoting both the sacred and the fun of Christmas, done by Mrs. Adams' speech classes. Jerry Walker, Dean Anderson, and Kristin Munk narrated the Christmas story between numbers. Some of the outstanding numbers were "Alleluia" by Randall Thompson and "Chestnuts Roasting on an Open Fire" by Johnny Mercer. The Choir, Mr. Carraway, accompanists, Merrillyn Lewis and Janet Larsen, worked hard at night and Saturday rehearsals to prepare the varied and enjoyable cantata.

Under the direction of Mr. Carraway, the newest addition to the faculty, the full concert band presented a Christmas band concert. Mr. Carraway's original arrangement of "Rudolph—Cha Cha" was especially enjoyed by the students. Here Dean Anderson narrates "Twas the Night Before Christmas."

A marching band,
an idea brought to
M.H.S. by Mr. Carraway,
was successfully organized
this year under his direction.
Shown here at one of the football
games is the band doing one of its
drills. They marched at one other foot-
ball game here and one at Soda Springs.

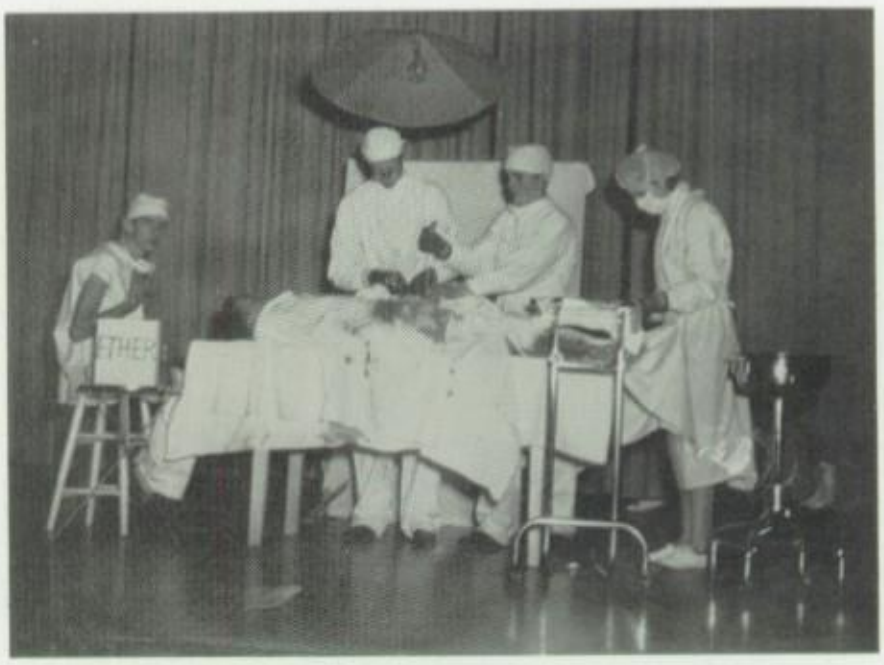
Girls participating in the piano recital this year were, back row, left to right: Kristin Munk and Kiera Lewis. Middle row: Linda Clayton and Janet Larsen. Front row: Elizabeth Evans, Terry Lynn Arnell, and Gaylen Clayton. The four girls chosen to play at district festival were Linda Clayton, Kiera Lewis, Janet Larsen, and Gaylen Clayton.

The sextet consisting of, left to right, Lynne Michaelson, Mary Lyn Collipriest, Janet Larsen, Bonnie Olson, Linda Jacobson, and also Ra Nae Nate who was not present for the picture, sang "Morning in Spring" at both district and regional festivals. Singing with no accompaniment, they were able to rate ones at both contests.

In preparation for festival, April 10 and 11, the band presented several numbers such as "Bandology," Overture For Winds," and "Little Suite for Band" during the Spring Festival Concert for the public.

CLASS ASSEMBLIES

The Seniors presented another outstanding class assembly this year. A special feature, a "soda shop" skit, was a takeoff of the days of the "wild" West. Here several outlaws enjoy the company of the chorus girls.



In the Junior assembly, Roger Grunig underwent surgery performed by the competent (?) doctors, Phil Parker, Jerry Walker, and Randy Bentsen, assisted by Irene Gerber. To the weak-stomached, the operation was gruesome yet entertaining.

Under the direction of Randy Rex, the Sophomore assembly featured the Miss America Beauty pageant. The contestants displaying their beauty are Miss Idaho (Vernon Dunn), Miss Hawaii (Craig Williamson), and Miss Mississippi (Pat Freeman). Who won? Why, of course, the lovely (?) Miss Idaho!

Part of the Freshman assembly consisted of talent from the class members. A new student, LaRae O'Connor, displays her musical ability with a clarinet solo, accompanied by Kiera Lewis.

ASSEMBLIES

Marsha Ipsen isn't really as scared as her hair makes her look. The static electricity from a Van Degraff generator during the AEC assembly is passing through her body and making her hair stand on end.

The Virgil and Julie assembly, one of the national high school assemblies, was well-presented to the student body. In this picture, Virgil is shown singing about David and Goliath.

A variety of musical entertainment was provided by Madrigals from U.S.U. They cleverly outlined the steps in filling out an income tax return. Students were amazed at their ability to stay on key with no audible pitches given at the beginnings of the numbers.

"The Mississippians," the best of the high school assemblies, was presented at a night performance for parents and guests as well as an afternoon performance for the student body. Here, they are singing "Rock-a-My Soul in the Bosom of Abraham." Individual members sang such favorites as "Misty," "When I Fall in Love," "Days of Wine and Roses," to the delight of the audience.

The Speech II class presented "The Old Lady Shows Her Medals," a one-act play at the District festival at Snake River and the Regional festival at Pocatello where they received superior ratings. Cast members were especially commended for their mastery of the English dialect. Here Mrs. Haggerty (Ara Lee Phillips) and Mrs. Micklham (Dianne Rigby) listen as the minister (Tom Parker) tells Mrs. Dowey (Merrillyn Lewis) that her son is home from the war. Mrs. Tully (Susan Barcus) another neighbor, also hears the good news.

The choral group, under the direction of Mrs. Adams, presented to the student body a selection from the "Seven Ages of Man." Their humorous reading, "The Sneeches with the Stars on Their Bellies," promoted integration. This group received an Excellent rating at district competition.

A part of the exchange assembly which traveled to Soda Springs was a girls' quartet consisting of Joyce Smith, Merrillyn Lewis, Linda Jacobson, and Ann Rowland, who sang "Ten Little Indians" to the enthusiastic student body. Another feature of the assembly was an all-boy skit, directed by Mrs. Adams.

Eddie Corbett tries to get his father, Tom Corbett, remarried after his mother's death. He arranges meetings with various girls for his father. Elizabeth Madden, a neighbor, is Eddie's favorite. Tom decides, however, to marry Rita Behrens who has "skinny eyes," which means she's a "bad girl" according to the comic books. As a result, Eddie runs away from the summer camp he is attending to Elizabeth's apartment. Elizabeth, who has always been interested in Tom and Eddie, convinces Eddie he should go home. When Tom comes for Eddie, he realizes he has been attracted to Elizabeth's charm for some time. Tom finds he is really in love with Elizabeth when he picks up Eddie at her apartment.

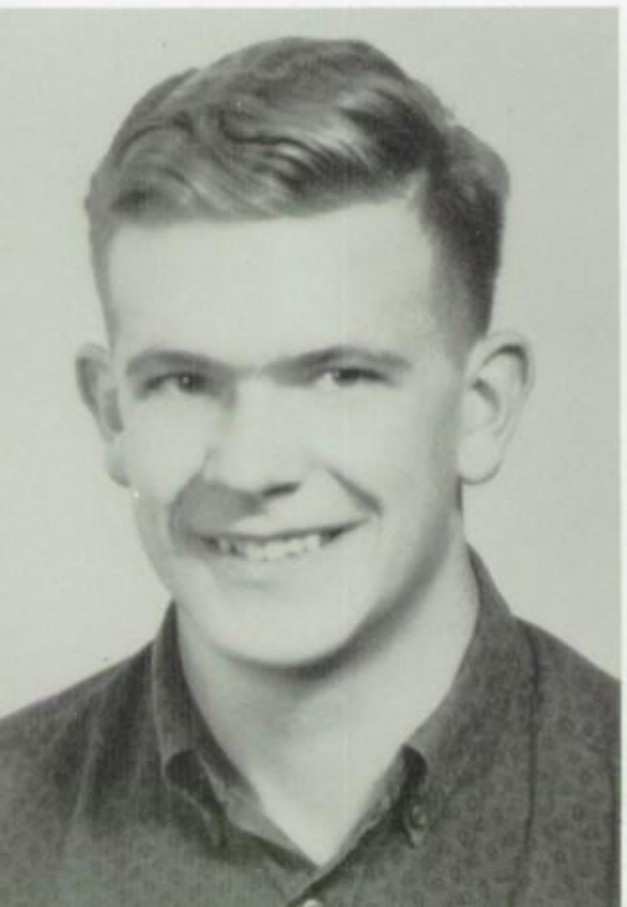
STUDENT DIRECTOR



CAST

Tom Corbett (Pat Freeman) and his son, Eddy (Donald Grunig) receive advice on buying soap from Mrs. Bridges (Merrillyn Lewis), while Helen Ann (Marlys Hansen) munches crackerjacks.

While waiting for the elevator, Elizabeth (Clella Burgoyne) and Eddy talk about the movie they have just returned from.

"Knock it off, Norm," orders Tom, as Norm (Roger Grunig) flirts with the Beautiful, but shy (?) Dolly Daly (Bonnie Olsen).

Tom looks dejected as Elizabeth explains Eddie's reasons for running away from camp.

Tom wonders whether he's the right man for Rita (Irene Gerber) as he prepares to propose to her.

Miss Cayton (Kristin Munk) appears concerned as she is giving Tom some advice on how to raise his son.

Nosey neighbor, Mrs. Bridges (Merrillyn Lewis), tries to get Tom interested in her younger unmarried sister, Loretta (Kiera Lewis).

PEPETTE ACTIVITIES

The high-stepping Pepettes marched at many of the home games and games away, including tournaments at Preston. Their many peppy drills and precision marching have made them a well-known organization of MHS.

Traditionally each senior member is presented one long-stemmed red rose. Here, Jan Michaelson, assistant drill master, presents Sheryl Neeley, retiring Drillmaster, with her rose, with a note of thanks from all members.

Pepettes round up this year's activities with their annual Pepette banquet which was held at the Sunset Cafe on May 1.

Pepettes are seen here marching at one of the home basketball games.

PEP CLUB ACTIVITIES

Ara Lee Phillips, Marsha Humphrey, Mrs. Rich, Janice Aleman, Kristin Munk, Janet Bartschi, and Joyce Smith seem to be enjoying one of the talent numbers at the annual Pep Club banquet held May 11 in the Montpelier First Ward Recreation Hall. A delicious supper of roast beef and baked potatoes was served to the old Pep Club members and new Pep Club members, who were sworn in after the dinner.

All-school participation is shown at one of the many pep assemblies held throughout the football and basketball seasons. Activities at these assemblies ranged from talks by the players to singing by the Lions' Trio.

Shown here are the new Pep Club officers for '64-'65. They are from left to right: MarJean Nelson, Secretary; Pat Twitchell, Vice-President; Linda Jacobson, President. They were elected by the Pep Club members and not announced until the banquet.

BANQUETS

Tony Knapp, head football coach at Utah State University, was the guest speaker at the annual Letterman's banquet sponsored by the Lion's Club. Lion's Club president is Dean Larsen at left.

Athletes receiving awards at the annual athletic banquet were, left to right: Robert Lindsay, outstanding wrestler; Fred Wells, top-line-man; Mark Johnson, outstanding back; Tom Jones, all-around football player; Keith Teuscher, outstanding basketball player.

At the FFA Banquet, held in the Georgetown recreation hall, three awards were presented: Art Sorenson Foundation sheep award to Lynn Lewis and Honorary Farmer Awards to Mr. Fenton Allred and Acel Herzog.

CLUB ACTIVITIES

Mrs. Vermaas, Terry Lynn Arnell, Marilyn Bartschi, Polly Crane, Eve Crane, Bonnie Woolstenhulme, Ara Lee Phillips, and Linda Wilkinson were the FHA members in charge of the teachers' tea held during FHA week, March 29 through April 3. The teachers were served light refreshments after which, they visited with one another.

Shown here are the cakes baked by the FHA king candidates. The twelve boys were judged on these cakes and their scores on an etiquette test given them. From these two things, the FHA King and his attendants were chosen and crowned at the FHA dance on April 3.

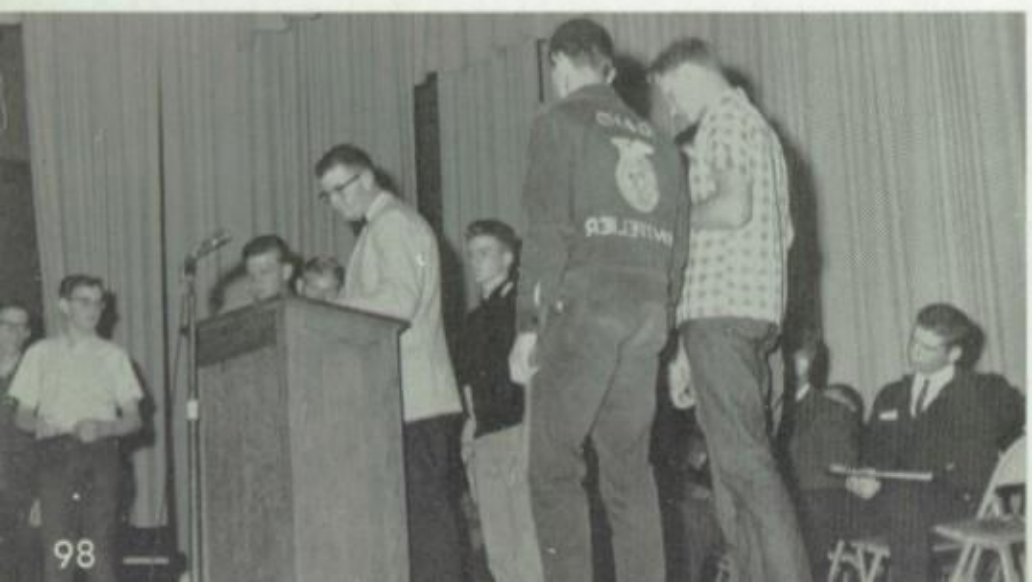
The FTA held its annual teachers' banquet on May 1 in the Home Ec room. The teachers are shown here enjoying a delicious dinner of barbequed chicken. Also, at the banquet, the "Teacher of the Year" award was given to Mr. Munk, and the next year's FTA officers were announced.

Mr. Perkins awards Tom Rich a medal for achieving the highest score in MHS on the National Math Test. His score ranked him fifth in the state and MHS tenth in the state of Idaho.

Grizzly awards are given by Mr. Munk to Dean Anderson, front page editor; Linda Clayton, feature editor; Mary Lynn Collipriest, business manager; Lorna Reeves, editor; and Lynn Roderick, sports editor.

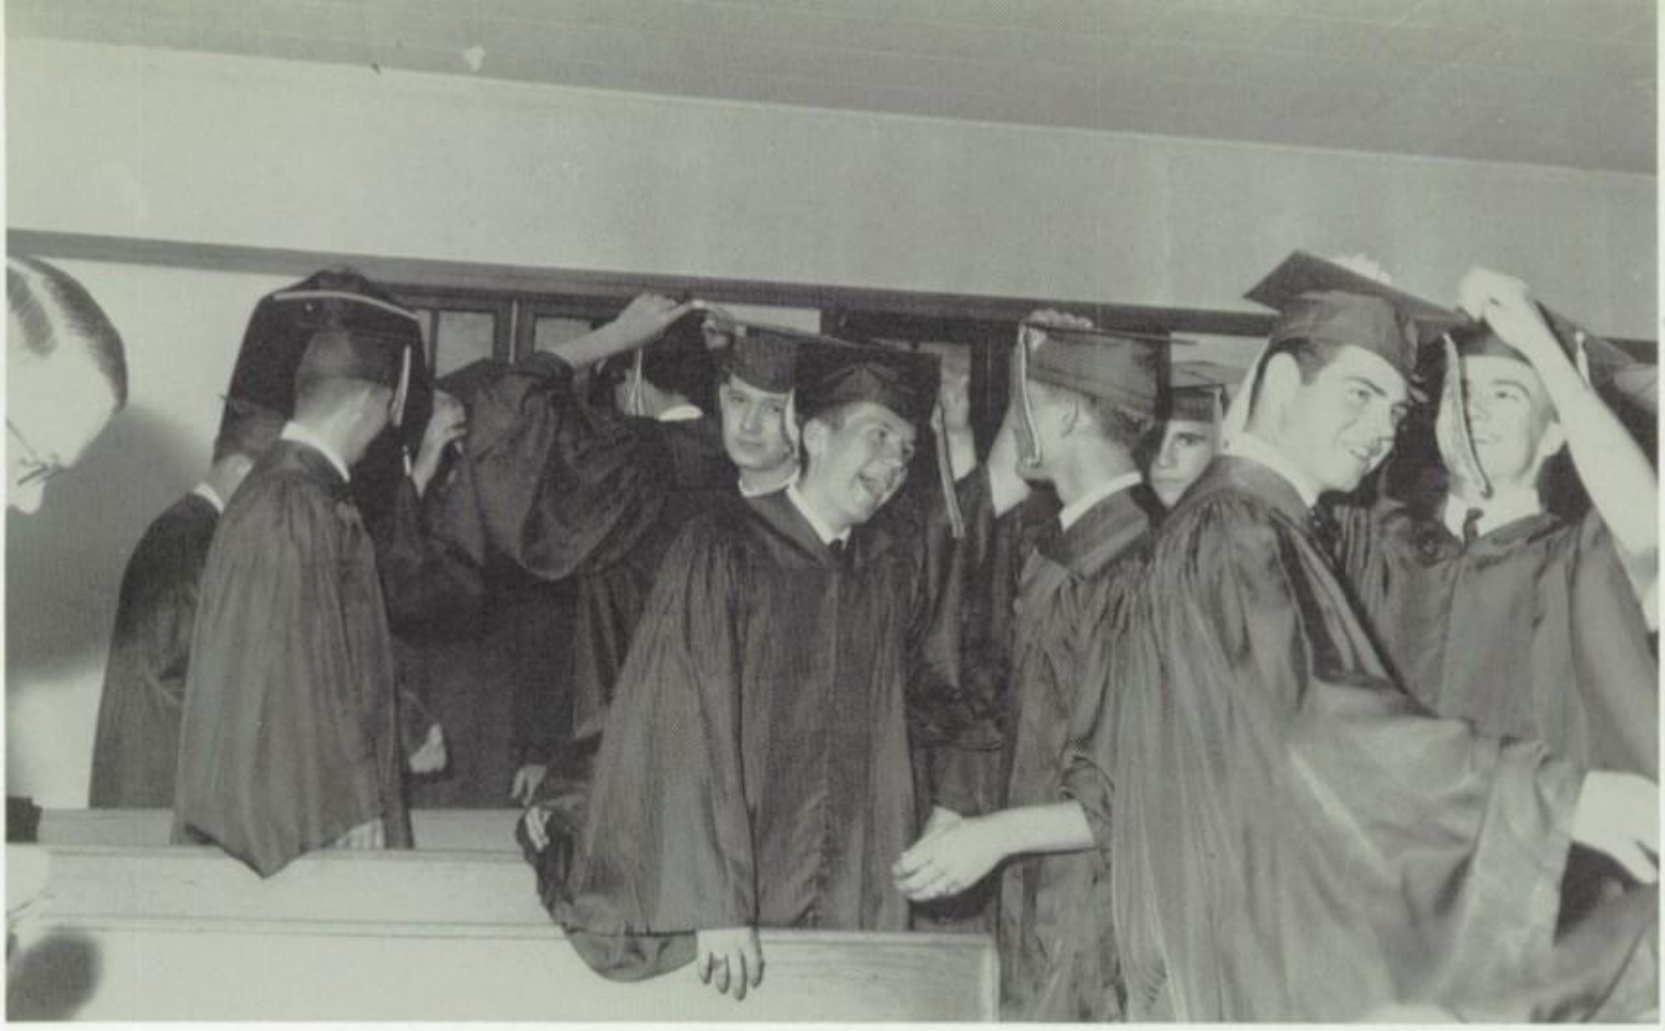
Student Body President, Keith Teuscher welcomes the student body to the closing awards assembly of the 1963-64 school year and expresses thanks to the faculty and other officers for their assistance.

Vocational Agriculture awards are given by Mr. Skinner to several boys for outstanding work in such fields as crop growing and farm mechanics.

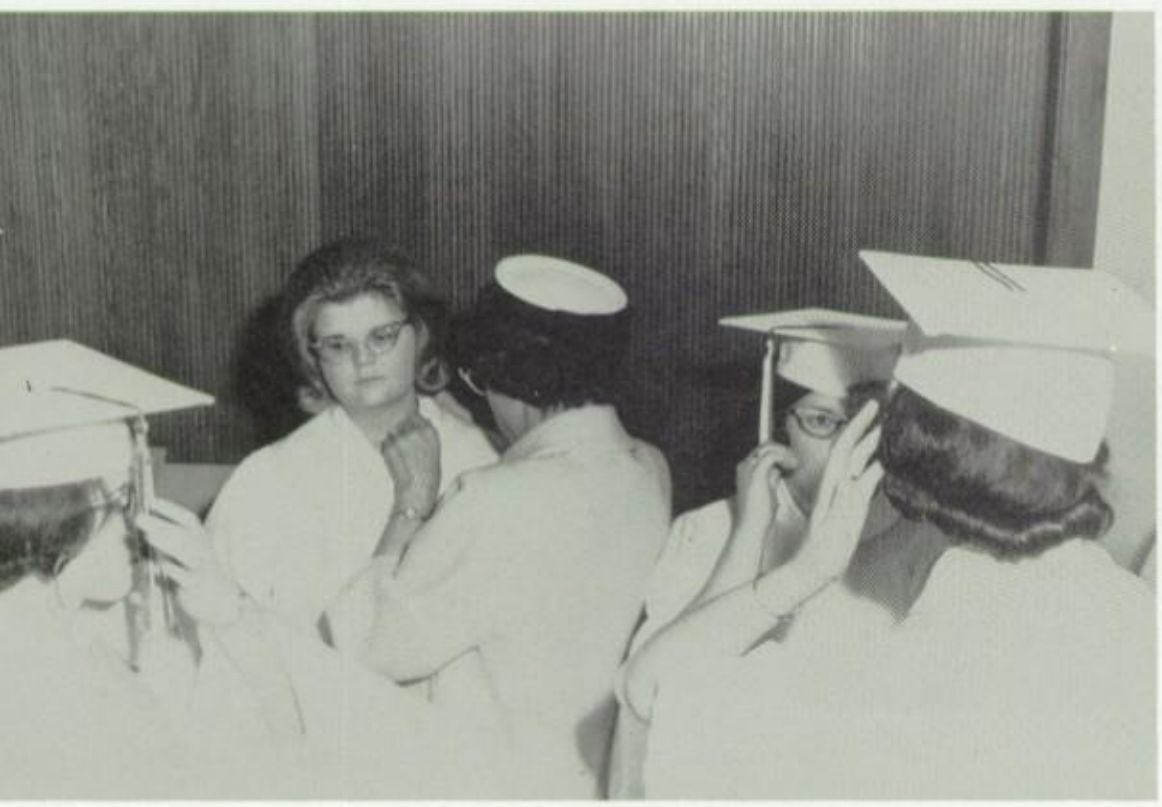


Finance Committee awards are given by Mr. Powell to Terrell Bird and Brent Boehme for their work through the year.

SENIOR ACTIVITIES



Edwin Jensen, Roger Rigby, Bill Teuscher, Keith Teuscher,and Glen Williamson seem quite unconcerned that they are graduating as they prepare for the grand march at commencement exercises held May 22 in the tabernacle.



Candy Pederson looks wistful as she is helped by Mrs. Michaelson prior to commencement exercises. Thinking back over both happy and sad high school experiences was probably what every senior was doing about that time.

"My cap's falling off," exclaimed Sandra Sparks while Mrs. Marie Cameron tried to hold it on. "I hope it doesn't do that as I'm marching down the aisle."

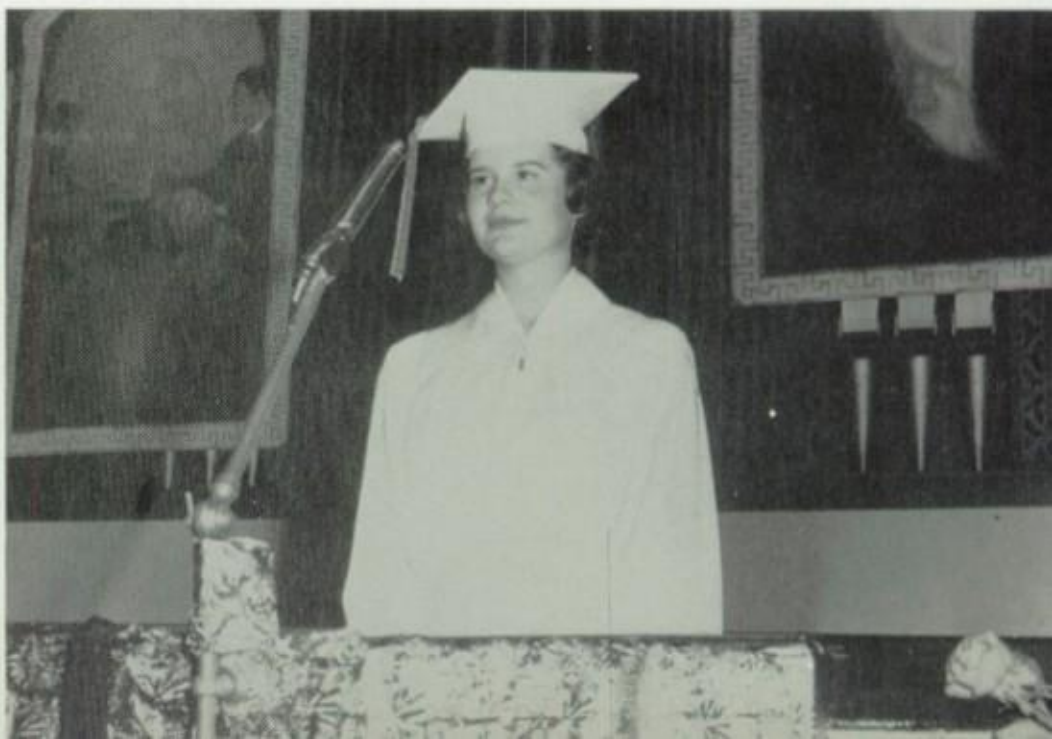
After marching in to "Pomp and Circumstance" the seniors await the chord to be seated. Merrillyn Lewis and Janet Larsen accompanied the group on the organ and the piano.

COMMENCEMENT

". . . WITH ALL THEY GETTING GET UNDERSTANDING."

Merrillyn Lewis, who had a grade point average of 3.969, gave the valedictory address on "Wisdom, Knowledge, and Understanding."

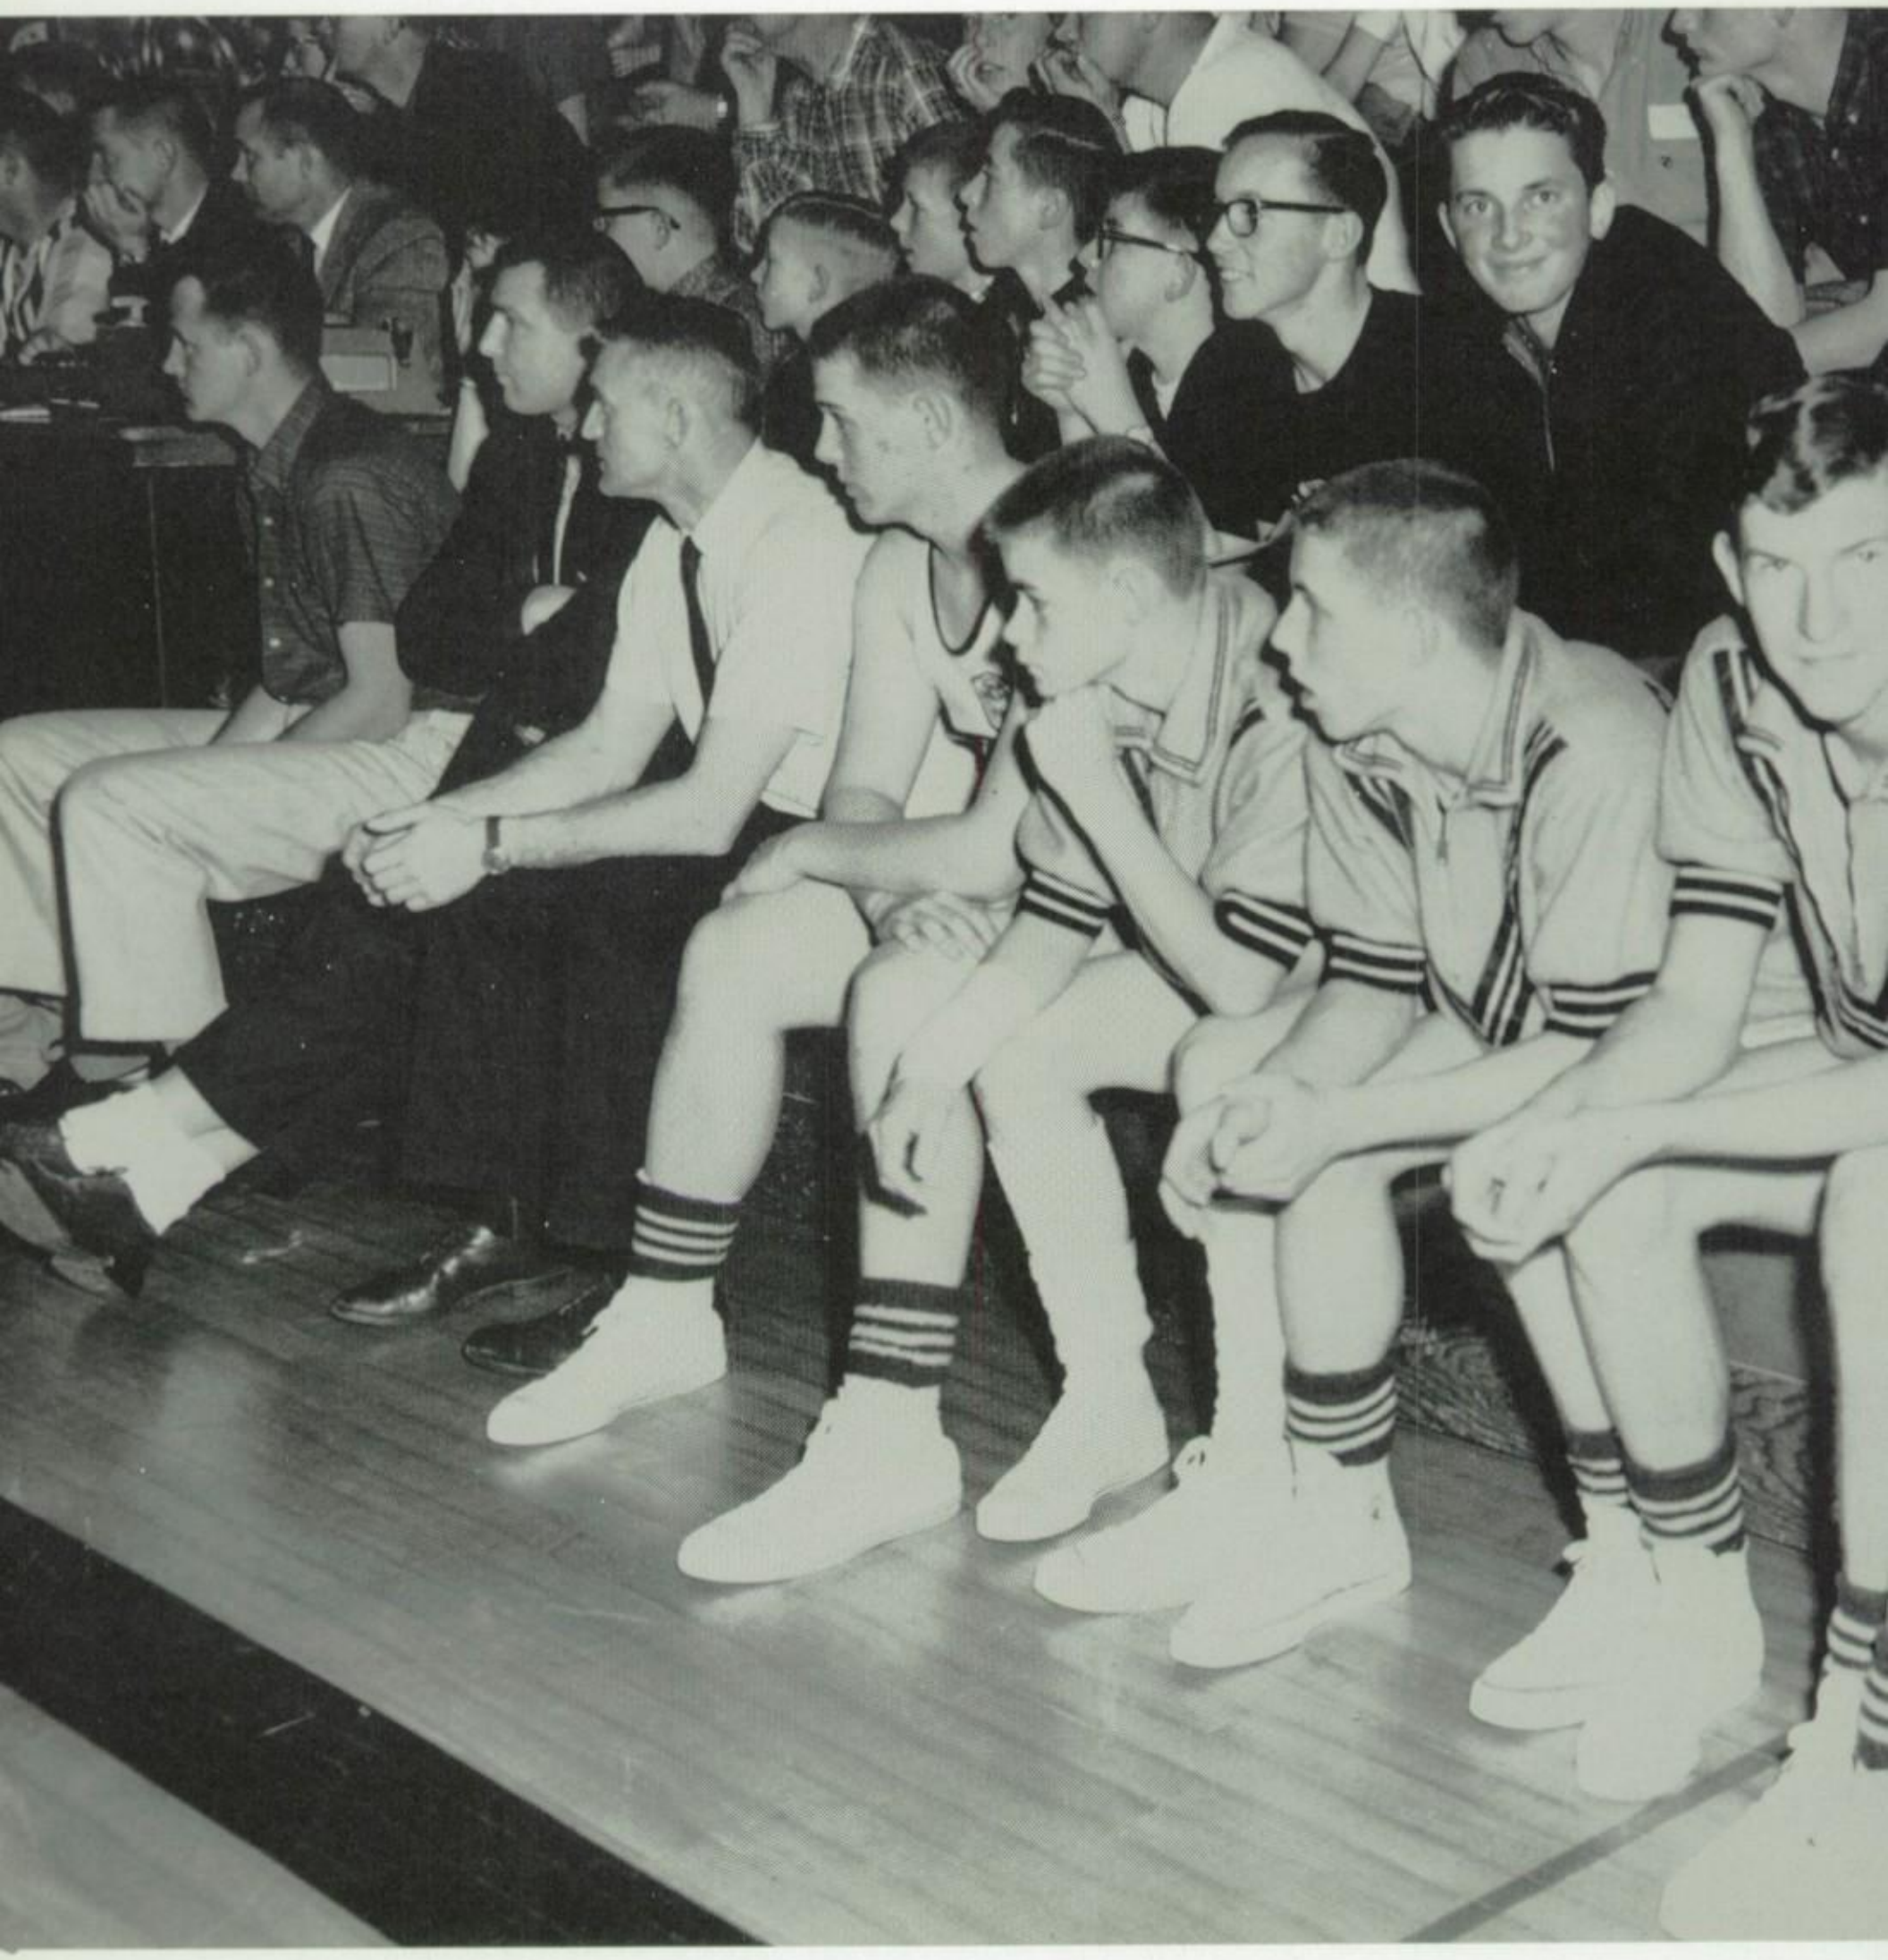
Janice Alleman, with a grade point average of 3.915, gave the welcoming salutatory address on "Inner Thoughts Make or Mar the Success of Man."



Mr. J. Elliot Cameron, Dean of Students at Brigham Young University, was the guest speaker at Commencement. His address was centered around the theme of Commencement. He also continued to develop the subjects of the valedictory and salutatory addresses.

As the somber members of the graduating senior class start their long march to the pulpit to receive their diplomas, memorable high school experiences came to their minds. With the many fine students and athletes, this class truly has set an example for the remaining classes to follow, and will surely give America many fine new citizens.

The finale of Commencement was a fine display for all who attended. Under the direction of Mrs. Adams and Mr. Carraway, the speech choral and the mixed chorus worked together. The chorus, as well as mixed groups, sang such songs as "Let There Be Music" and "Battle Hymn of the Republic."



The never say die spirit typifies the Bears during the tense moments when victory was hanging by a thread. Every one of the boys involved with sports has what it takes. Every boy was playing because he enjoyed playing and liked fighting to show his loyalty. Sportsmanship and teamwork molds men out of boys. This year we received many compliments on the behavior and sportsmanship of our teams. Although the year's record was not outstanding the players did a tremendous job and represented our school, our spirit, and our capabilities in an appropriate manner.

Wrestling, our newest sport, is proving very popular and is obviously a very valuable addition to the school's athletic program. While only in our second year of competition, the boys showed a vast improvement from last year with five wins and 5 losses. Coach Perkins has truly proven that he is a valuable addition to the high school coaching staff. We are very proud of Coach Perkins and the wrestling team.

The **Idamont** is only made possible through the cooperation of the many businesses and businessmen of Montpelier and surrounding areas. Without their contributions, the yearbook could not be published. Because of this, a section is devoted yearly to these business concerns.

Forming the backbone of this yearbook and making it possible, are the merchants of our city and those surrounding. The expense of putting out such a yearbook is largely placed on their shoulders.

Marsha, Linda, and I felt they were very cooperative and especially friendly. So, in return for their support, we urge you to cater to the local businessmen, thus promoting the prosperity of our community.

We are also grateful to the merchants in their support of the school paper. They have backed Montpelier High School in sports, music, and drama. To them, we express our sincere thanks.
